HARTFORD PUBLIC LIBRARY HOSTING COVID-19 VACCINE CLINICS THROUGHOUT FEBRUARY, MARCH

Boosters, pediatric vaccines will be available at three locations in the city

(Hartford, CT) – Hartford Public Library will be hosting COVID-19 vaccine clinics in partnership with Griffin Health at three locations across the city during the months of February and March.

“We are grateful to our partners at Griffin Health for helping us to bring COVID-19 vaccines to Library locations across the city” said **Hartford Public Library President and CEO Bridget E. Quinn**. “We are committed to making our city a healthier place and pleased to offer this service to our community.”

The times and locations of the clinics are as follows:

Downtown Library

500 Main St.

Feb. 5, 12, 19, 26

1-4 p.m.

Vaccines available for those 5 and up

Albany Library

1250 Albany Ave.

Feb. 10, 24; March 10, 24

2-5 p.m.

Vaccines available for those 5 and up

Camp Field Library

30 Campfield Ave.

Feb. 3, 17; March 3, 17

2-5 p.m.

Vaccines available for those 12 and up

Appointments are not required. First doses, second doses and booster shots will be available. Patients are asked to bring identification and insurance information if available, but nobody will be turned away for lack of an ID or insurance. Anyone under the age of 18 must be accompanied by a parent or guardian.

About Hartford Public Library

Now celebrating its 128th year, Hartford Public Library remains at the forefront of redefining the urban library experience in the 21st century. With seven locations throughout the city, the library provides education, intellectual enrichment and cultural development for thousands of children, youth and adults every year. Hartford Public Library has also gained local and national recognition for its wide range of new initiatives and partnerships designed to meet the needs of a diverse and dynamic city and region, including immigration services, employment assistance and youth leadership training. www.hplct.org.
